Parents, Teachers and Students!!!

**Support the Gunn High School PTSA
Join Now for the 2008-2009 School Year**

Parents: As a member of the Gunn High School PTSA you are able to meet other families, share your ideas and concerns and take part in PTSA decision making. The PTSA helps you feel connected to the school, its staff and most importantly, the students. Your membership supports child advocacy at the local, state and national levels.

Teachers: The Gunn High School PTSA's charter is to support your work in the classroom. As a member, your priorities and perspective may be heard and integrated into decision-making. The PTSA is an avenue to meeting the parents of your students. Avail yourself of grants available for PTSA teacher members!

Students: The Gunn High School PTSA is all about you. Your opinions, issues and resource requirements are critical inputs to the decision making of the Gunn PTSA. The State PTA also offers scholarships to student members of the PTSA. Join the PTSA to make an impact.

Anyone subscribing to the PTSA goals of securing a healthy and nurturing school environment for children and youth may join the PTSA. Consider signing up grandparents, neighbors and alumni as PTSA members! Membership in the Gunn High School PTSA includes membership in the California State and National PTAs as a portion of your membership dues are passed through to those organizations.

The Gunn High School PTSA is featured online at <http://gunn.paloaltopta.org/> The website communicates PTSA sponsored activities around campus and contact information for those of you wanting to get involved. Also, our monthly newsletter, *The Spotlight* is available on-line, including past issues for reference purposes. For those of you that prefer to receive a printed copy in the mail, we suggest an additional \$15 contribution to defray the costs of printing and mailing.
