I attest and verify that I am physically fit and able to participate in this event and acknowledge that I am aware of the inherent risks in participating in an event of this type.

PARENT'S APPROVAL AND WAIVER-2017 Senior Picnic and Grad Night

My student has my (our) permission to participate in the above referenced PTSA sponsored Senior Picnic on May 30, 2017 and/or Graduation Night celebration on May 31-June 1, 2017. The parent or guardian signing this Registration and Consent assumes all risks in connection with the student's participation in these two PTSA sponsored activities. I (we) hereby release and discharge the California State PTA, all PTA officers, employees and agents from all liability, claims or demands for any damage, loss or injury to the student, the student's property, or parent's property in connection with participation in these activities, unless caused by the negligence of the PTA. I do hereby certify that to the best of my (our) knowledge and belief said minor is in good health. In case of illness or accident, permission is granted for emergency treatment to be administered. It is further understood and agreed that the undersigned will assume full responsibility for any such action, including payment of costs.

I (we) hereby advise that my student has the following allergies, medicine reactions or unusual physical condition which should be made known to a treating physician or which could limit participation:

If none please write "NONE".

Medicine/Rx Policy

During the registration process for a graduation event, a student must submit a list of medicines (over the counter and prescription) s/he intends to bring to the event. With the exception of an EpiPen, inhaler, or insulin delivery device, all medications (over the counter and prescription) are required to be checked-in to the designated chaperone for safekeeping. All medication must be in its original container and must be examined by the volunteer at the Medical Check-In table during the bus loading process. Students may access their medication by going to the designated chaperone during the events. Upon returning to Gunn, the medications will be returned to the students.

If an unforeseen health issue arises and the student needs to bring a previously undeclared medicine, it must be presented at the Medical Check-in table with a signed note from a parent or a legal guardian stating the health condition and the name of the medication in order for the organizers to accept the medication. Please make sure the medication is in its original container.

Safety and Security Precautions

To ensure that all seniors have the opportunity to celebrate this special time in their lives in the safest manner possible, the following procedures will be followed:

1. Prior to the senior picnic on May 30th and Grad Night party on May 31, all personal belongings will be searched before students board the charter bus.
2. During the graduation party event on May 31-June 1, students will not be allowed to have anything except their cell phone and a jacket/sweater with them. Belongings will be placed in a bag that will be returned to the student upon arrival at Gunn on June 1st.
3. Students may be searched by parent volunteers, Gunn staff, or outside security service personnel, or a combination of said persons. They are subject to a search and/or breathalyzer testing before boarding the charter bus or at any time during the outings.
4. Students will not be allowed to disembark the bus until they arrive at the destination.
